

Engrave Library Courtyard Pavers for a Lasting Memory

Would you like to commemorate an event, honor a person or just have your best wishes "set in stone"?

The Friends of the Glen Rock Public Library have enhanced the seating area at the rear entrance of our Library by soliciting donations for engraved pavers. These pavers provide a decorative record of events, people, and tributes to our Library by our donors.

Each 4" by 8" paver can be engraved with a maximum of three (3) lines of text consisting of thirteen (13) characters each which are written by the donor. Leave your legacy on the Glen Rock Library for a donation of only \$250 which includes engraving and installation.

If you would like to participate in our Paver Program, please complete the sections below and email the form to: membership@friendsglenrocklibrary.org
